I have read and fully understand Advance Physical Therapy's (APT) Notice of Information Practices. I understand that Advance Physical Therapy may use or disclose my PHI for the purposes of carrying out treatment, obtaining payment, evaluating the quality of services provided, and any administrative operations related to treatment or payment. I understand that I have the right to restrict how my PHI is used and disclosed for treatment, payment and administrative operations if I notify the practice. I also understand that APT will consider requests for restriction on a case-by-case basis, but does not have to agree to requests for restrictions. I hereby consent to the use and disclosure of my PHI for purposes as noted in APT's Notice of Patient Information practices. FINANCIAL POLICY

This is an agreement between Advance Physical Therapy as creditor, and the patient/debtor named on this form. In this agreement the words 'you', 'your', and 'yours' mean the patient/debtor. The word 'account' means the account that has been established in your name to which charges are made and payments credited. The words 'we', 'us' and 'our' refer to Advance Physical Therapy.

By executing this agreement, you are agreeing to pay for all services that are received.

Payments: Unless other arrangements are approved in writing, the balance on your statement is due and payable when the statement is issued, and is past due if not paid by the end of the month.

Contracted Insurance: If we are contracted with your insurance company, we must follow our contract and their requirements. If you have a co-pay or deductible, you must pay that at the time of service. It is the insurance company that makes the final determination of your eligibility. If your insurance company requires a referral and/or preauthorization, you are responsible for obtaining it. Failure to obtain may result in a lower payment from the insurance company.

Non-contracted Insurance: Insurance is a contract between you and your insurance company. We are NOT a party to this contract, in most cases. We will bill your primary insurance as a courtesy to you. You agree to pay any portion of the charges not covered by insurance.

Past Due Accounts: If your account becomes past due, we will take necessary steps to collect this debt. Past due balances greater than 90 days old will be charged a late fee up to \$15. If we have to refer collection of the balance to a lawyer, you agree to pay all lawyer's fees which we incur plus all court costs. In case of suit, you agree the venue shall be in Orange County, NC.

Credit History: We are members of the American Credit Bureau. You give us permission to answer questions about your credit experience with us. We have the option to report your account status to the credit bureau.

Waiver of Confidentiality: You understand if this account is submitted to an attorney if we have to litigate in court, or if your past due status is reported to the credit reporting agency, the fact that you received treatment at our office may become a matter of public record.

Workers Compensation: We require written approval/authorization by your employer and/or worker's compensation carrier. If your claim is denied, you will be responsible for payment in full.

Personal Injury: If you are being treated as part of a personal injury lawsuit or claim, we require verification from your attorney. In addition, we require that you allow us to bill your health insurance. In the absence of insurance, other financial arrangements may be discussed. Payment of the bill remains the patient's responsibility.

Effective date: Once you have signed this agreement, you agree to all of the terms and conditions contained herein and the agreement will be in full force and effect.

NON-COVERED SERVICES WAIVER

This portion applies to all patients covered by private insurance

Your insurance company reserves the right to decide what services are medically necessary for you and which health related services they will cover. Services which are acceptable to your insurance company are labeled "covered benefits." Services which they will not cover are labeled as "non-covered services."

Advance Physical Therapy offers treatment options which may not be covered by your insurance company. For example, intensive therapy programs are offered to patients who travel long distances for specific techniques which are not available to them locally. The intent is to offset travel time with increased treatment time per day to minimize the need for frequent, long travel. Another example is treatments which address complex problems. Patient education, as well as training in new postures and movement patterns may require longer than usual sessions to most efficiently achieve desired results.

If your insurance company denies coverage of longer sessions, labeling them as "non-covered services" or "medically not necessary" you have the option to self-pay for these additional services, if you wish.

I acknowledge that I have been informed in advance of receiving services, that these services may not be covered by my health insurance plan. I have chosen to receive these services, and understand that I will be financially responsible for the services not covered by my health insurance plan, which will be billed at the rates listed below.

DISCOUNTED SELF-PAY RATE Initial evaluation hour: \$200.00 Hourly rate: \$140.00
