## PAYMENT AGREEMENT

Thank you for choosing Scoliosis and Postural Restoration Center, LLC ("SPRC") as your physical therapy provider. Before we begin services, please sign below indicating you have read, understand and agree to the following payment policies.

- SPRC is a separate (subsidiary) corporate entity from KJC Corp. (d.b.a. "Advance Physical Therapy") even though we operate out of KJC's space. SPRC is not in-network with any commercial health plans, Medicare or Medicaid, whereas Advance Physical Therapy is in-network with BCBS, Tricare and Medicare. If you have BCBS, Tricare or Medicare and want to be seen by an in-network therapist, we can refer you to Advance Physical Therapy or another therapist of your choice.
- Since we are not in-network with any health plan, by choosing us, you agree to be financially responsible for all charges regardless of any applicable insurance or benefit payments, third-party interest, or the resolution of any legal action or lawsuits in which you may be involved.
- Payment is expected at time of service unless you have made other payment arrangements with us.
- Out-of-Network Policy. (Commercial Health Plans – Does not apply to Medicare) If you have out-of-network benefits, we will provide you with a copy of your bill that you can, at your discretion, submit to your health plan for reimbursement for the services your health plan covers. You are responsible for contacting your insurance company to determine what your benefits are and obtain any necessary physician referrals and/or pre-authorizations for services. We are not responsible if your health plan denies, in whole or in part, your claims for our services.
- Medicare Policy (for Medicare Part B). If you are a Medicare beneficiary, you understand that SPRC's licensed physical therapists are not enrolled as Medicare providers. Medicare has onerous technical and administrative requirements that must be met for services to be considered medically necessary covered benefits. We believe those requirements take unnecessary time away from the services we provide and Medicare does not cover many of our specialized treatment and prevention services. Since SPRC's therapists are not enrolled providers, we cannot submit claims to Medicare and Medicare will not pay for our services even though the same services might be paid by Medicare if you obtained them from Advance Physical Therapy or another Medicare enrolled provider. Therefore, by choosing SPRC's services, you are exercising your right to privacy and electing, of your own free will, not to use your Medicare benefits. As such, you are agreeing to pay cash at the time of service for all services you elect to receive from SPRC with no expectation that Medicare will reimburse you. You understand that we will not submit claims to Medicare on your behalf or provide you with a statement or billing codes that you can submit to Medicare yourself. If you want Medicare to pay for services that might be considered covered benefits, you should seek those services from a Medicare enrolled provider. If you decide at any point after you start services with us that you want Medicare to pay for the services it covers, we can transfer you to Advance Physical Therapy or another Medicare enrolled provider and terminate your services with SPRC. You also understand that since SPRC and its therapist are not enrolled Medicare providers, our services are not subject to Medicare's maximum allowable charge. You agree that you, your caregivers, family members, authorized representatives or power of attorney will not, under any circumstance, submit our claims, invoices, receipts or statements to Medicare for reimbursement or to obtain a denial for a Medicare supplemental insurance plan.
- Medicare supplemental Insurance plans. If your Medicare supplemental insurance plan will reimburse you for medically necessary services by providers not enrolled with Medicare, we will provide you with a letter stating we are not enrolled as a Medicare provider and a statement that you can submit to your supplemental plan. However, **you should be prepared that your supplemental plan may not pay for services by providers not enrolled with Medicare.** If your supplemental plan requires you to obtain a denial from Medicare before it will pay for your services, we cannot submit a bill to Medicare merely to get a denial because we are not enrolled providers.

- Medicare Replacement and Medicare Advantage Plans ("MAP"). We are not in-network with any Medicare Advantage Plans. If your MAP offers out-of-network benefits, we will provide you with a copy of your bill that you can, at your discretion, submit to your MAP for reimbursement for the services your health plan covers. However, you should be prepared that your MAP may not pay for services by providers not enrolled with Medicare. You are responsible for contacting your MAP to determine what your benefits are and obtain any necessary physician referrals and/or pre-authorizations for services. We are not responsible if your MAP denies, in whole or in part, your claims for our services.
- Medicare as a Secondary Payer. If you have a commercial insurance plan, we will provide you with a copy of your bill that you can, at your discretion, submit to your health plan for reimbursement for the services your health plan covers. However, since we are not Medicare enrolled providers, Medicare will not pay your copays, co-insurance or deductibles as a secondary payer. **You understand and agree** to carry out whatever procedures are necessary to prevent your commercial insurer from automatically forwarding our bills to Medicare.
- Privacy Rights. You have a right to privacy under the Health Insurance Portability and Accountability Act (HIPAA) that includes restricting disclosure of your records and claims to your health plan, including Medicare, if you pay privately for your services at the time of service. If you pay for your services at the time of service, we assume you are exercising this right to privacy we will not disclose your medical records to any third party, including your health insurance carrier or Medicare. If you want your records disclosed to any third party in the future, you will need to obtain and sign our Authorization to Release Protected Health Information form before we will disclose your health information.
- Appeals Policy. You understand that you are responsible for filing all appeals of adverse benefit determinations. If you need assistance filing an appeal with your health plan, contact the consumer assistance agency on your denial letter.

**I HAVE READ, UNDERSTAND AND AGREE TO THESE PAYMENT TERMS. I acknowledge that I have chosen, of my own free will, to obtain the services provided by Scoliosis and Postural Restoration Center, LLC and have agreed to pay out of pocket for my services without any expectation that my health plan will reimburse me. If I am a Medicare beneficiary, I attest that I have chosen not to use my Medicare benefits for the services I am purchasing and am restricting Scoliosis and Postural Restoration Center, LLC and my therapist from submitting any claims to Medicare pursuant to my right to privacy under HIPAA.**
